200 Growing in the Gospel • Evangelism Training

David Park | Room 309-311

When Jesus captivates hearts, and lives are shaped by the gospel, evangelism happens far more naturally and frequently in everyday conversation. This course doesn't teach techniques but a gospel view of everyday life to help Christians help non-Christians to understand the gospel. It gives us a big vision of Jesus and teaches us the benefits of doing evangelism as part of a church community that lives ordinary life with gospel intentionality. We will learn together through step by step Bible passages, key concepts, practical examples and exercises.
